

BOYDEN VALLEY WINERY
MAKING VERMONT FAMOUS FOR WINE®

ROSÉ LA JUJU

David and Linda Boyden started milking grapes in 1997 with the founding of Boyden Valley Winery. Three generations of Boyden's had been milking cows at the Boyden farm prior to that. Rosé La JuJu continues the tradition of fine wines produced at the Winery. Named after their daughters, Juliette (juju) and Laurence, this Rosé is crafted from Frontenac and Cayuga White grapes. Rosé La JuJu is a fun and delicate dry wine, appealing to the pallet and to the eye with a soft pink hue.

Varietal: Frontenac and Cayuga White
